## Nahyan Bin Mubarak attends the AAU graduation ceremony 2020 virtually

Under the patronage of His Excellency Sheikh Nahyan bin Mubarak Al Nahyan, The Ministry of Tolerance and Coexistence, Al Ain University celebrated the graduation of the 14th students' batch, entitled "Towards the next 50" Class.

The ceremony, which had 1670 graduates from different colleges in Al Ain and Abu Dhabi campuses, 1220 from undergraduate programs, 149 from graduate programs and 301 from Professional Diploma Program, was held virtually in order to preserve the health and safety of the society in light of Covid-19 pandemic.

HE Minister of Tolerance and Coexistence said, "I am pleased to be with you today at the graduation ceremony of this new batch from Al Ain University, praying God Almighty to have the opportunity in the near future to meet together after the ordeal of Coronavirus, wishing all the graduates a successful future and continuous achievements in serving themselves, society and the whole world".

He added, «I salute the initiative of Al Ain University to give this batch of graduates the name "Towards the next 50" Class, and what this represents is a strong commitment that the future depends on the capabilities of the nation's sons and daughters, and even on the ability of society itself to educate them at the highest level and enable them to achieve all that God has given them in terms of capabilities.

## AAU and "Burjeel Abu Dhabi" promotes cooperation

Within the framework of consolidating bilateral relations between the two parties and enhancing cooperation in the medical & pharmaceutical fields, scientific research and student training, a delegation from Al Ain University represented by Dr. Noor El Deen Atatreh, AAU Chancellor, and Dr. Mohammad Ghattas, Deputy Dean of the College of Pharmacy, had visited Burjeel Medical City at Mohammad bin Zayed city.

The delegation was received by Dr. Shamsheer Vayalil, Chairman and managing director of VPS Healthcare Group, Dr. Nabeel Dyboni, Medical Director, and Dr. Humaid Al Shamsi, Founder and Director of Oncology and Cancer Department.

The delegation toured the curative services departments, laboratories and x-ray departments, had a look on the medical care services provided in various specialties, the latest technologies and medical equipment. During the visit, the two parties also discussed the ways to enhance research cooperation in the fields of pharmacy, clinical pharmacology and others, in addition to support the training for bachelor and master's students from Al Ain University, and exchange experiences in various medical and pharmaceutical fields.
