AAU Library launches a digital repository to support scientific research

The Khalifa Library at Al Ain University has launched its digital repository to preserve, collect and distribute digital materials such as books, theses, research projects, and scientific publications.

Currently, the repository contains more than 500 research publications in business, communication and media, education, engineering, law, and pharmacy. The selected papers are open access papers indexed in the Scopus database with at least one contributor from AAU.

Dr. Abdoulaye Kaba, Library Director, said that; the goal of creating the digital repository is to facilitate access to resources and information, as users can use different search options to select required documents, download, read, print, or save the full text to the desktop.

A virtual lecture on the link between inner peace and physical health

In collaboration with the College of Education, Humanities and Social Sciences, and Abu Dhabi Sports Council, the Deanship of Student Affairs, Abu Dhabi Campus, organized a virtual lecture entitled; Inner Peace, Physical and Mental Health, presented by Dr. Osama Allala, Sports Awareness Specialist, and moderated by Dr. Majed Al Saleh, Associate Professor from the College of Education.

The lecture dealt with various topics, including the causes of aging, the secrets of inner peace, and how to balance them with mental and physical health, and the link between biological clock and physical activity.

A Virtual Workshop on How to Achieve the First Place

Coinciding with the World Education Day, The Deanship of Student Affairs organized a virtual workshop entitled; How to Achieve the First Place. It was presented by the Member of the Advisory Board of the Deanship of Student Affairs, Mr. Ayman Al-Naqeeb from the Emirates School Establishment.

The lecturer discussed on the tips of obtaining first place in any competition or any activity, most notably: setting goals and striving to achieve them, time management, diligence, and not despair.
